Marcia Miles of Northbridge inducted into CNA Hall of Fame

Certified Nursing Assistant from Northbridge Health Care Center receives recognition

BRIDGEPORT, Conn. (March 15, 2019) – Certified Nursing Assistants (CNA) from the American College of Health Care Administrators (ACHCA) class of 2019 were inducted into the CNA Hall of Fame.

The inducted CNAs from the class of 2019 include Marcia Miles of Northbridge Health Care Center, along with four other CNAs from around the state of Connecticut in a regional ceremony taking place at Zandri’s Stillwood Inn in Wallingford, CT.

Marcia Miles with Hall of Fame award

Marcia Miles has worked for Northbridge Health Care Center for over 30 years, excelling in her CNA role with positivity and hard work. Miles works as the Lead CNA in secure Dementia and

Alzheimer's unit of Northbridge Health Care Center. She is a role model for newly hired staff, promoting an affirmative and constructive work environment. Miles' experience and knowledge has helped Northbridge implement change to meal times, care planning, and training during her tenure at the center.

As a Lead CNA, Miles is responsible for mentoring new CNAs, implementing changes on her unit and assisting her co-workers when they need help. She consistently leads her staff towards a common goal of first-rate care.

National President and CEO of ACHCA, Bill McGinley, addressed the Chapter during the ceremony. Barbara Cass, the Branch Chief of the Connecticut Department of Public Health assisted with the induction ceremony. Induction ceremony was followed by a Luncheon and the Chapter's Collegiality Hour.

Inductees to the 2019 CNA Hall of Fame from Connecticut
